

Lexus GX , 2025

Lexus GX 550 Overtrail Plus 4WD - 02/2025 BRAND NEW

Safety and Assistance Systems:

The 2025 Lexus GX 550 Overtrail+ is equipped with Lexus Safety System+ 3.0, offering a comprehensive suite of advanced safety features. This includes adaptive cruise control, lane departure alert with steering assist, blind-spot monitoring, rear cross-traffic alert, and a pre-collision system with pedestrian detection. The Overtrail+ trim also features a 360-degree camera system, providing enhanced visibility during off-road maneuvers and tight parking situations.

Performance and Handling:

Under the hood, the GX 550 Overtrail+ houses a **3.4-liter twin-turbocharged V6** engine, delivering **353 horsepower** and 479 lb-ft of torque. This powertrain is paired with a 10-speed automatic transmission and a full-time four-wheel-drive system, ensuring robust performance both on and off the road. The Overtrail+ trim includes an electronic locking rear differential and an Electronic Kinetic Dynamic Suspension System (E-KDSS), enhancing off-road capability by optimizing wheel articulation and stability.

Comfort and Multimedia:

Inside, the GX 550 Overtrail+ offers a luxurious cabin with a 14-inch touchscreen infotainment system featuring Lexus Interface, supporting wireless Apple CarPlay and Android Auto. The vehicle includes a premium audio system, multi-zone climate control, and a panoramic sunroof, providing a comfortable and connected driving experience. Additional features include heated and ventilated front seats, a heated steering wheel, and ambient interior lighting, enhancing overall comfort for all occupants.

Interior and Seats:

The Overtrail+ trim features exclusive interior appointments, including unique seat upholstery and trim accents that reflect its off-road prowess. The cabin offers spacious seating for five passengers, with ample legroom and headroom. The rear seats can be folded flat to expand cargo capacity, accommodating various storage needs.

Exterior:

The GX 550 Overtrail+ boasts a distinctive exterior design, finished in a rugged and stylish color palette that complements its adventurous spirit. It features 18-inch alloy wheels with all-terrain tires, black overfenders, and a unique grille design that sets it

apart from other trims. The vehicle's elevated ground clearance and skid plates further emphasize its off-road readiness, while LED headlights and taillights provide modern styling cues.
