Lexus UX 250h F Sport - 07/2023

General Overview

The **Lexus UX 250h F Sport (2023)** embodies the perfect balance of dynamic performance, premium craftsmanship, and hybrid efficiency. This compact luxury crossover combines sporty design with everyday practicality, offering an engaging drive and the refinement expected from Lexus. Finished in the signature **F Sport styling**, it features an aerodynamic exterior, bold detailing, and an unmistakable athletic character.

Performance and Efficiency

Powered by a **2.0-liter hybrid petrol engine** delivering a combined output of **184 horsepower**, the UX 250h ensures smooth acceleration, sharp handling, and exceptional fuel economy. The **E-Four hybrid system** (in AWD versions) or front-wheel-drive configuration offers confident stability in all conditions, while the **sport-tuned suspension** and **F Sport performance dampers** provide a responsive and composed ride.

Interior and Comfort

Inside, the **F Sport cabin** offers a refined yet athletic atmosphere with **sport seats**, **premium materials**, and **exclusive trim accents**. Equipped with advanced infotainment and connectivity features — including a large multimedia display, smartphone integration, and a premium sound system — the UX 250h ensures both comfort and convenience. The quiet hybrid operation and precise ergonomics make every journey relaxing and enjoyable.

Ownership and Warranty

The price includes a **complete inspection at our certified service center, first service free of charge**, and a **warranty on the engine and gearbox**. Also included are **registration under the first owner's name in Cyprus, number plates**, and **road tax valid until the end of the year**.
