## Lexus RX 350h Version L 4WD - 01/2024

### Exterior:

This luxury midsize SUV comes in a modern, elegant design characteristic of the latest Lexus generation. Notable features include sharp LED headlights, signature spindle grille, stylish alloy wheels, chrome accents, and refined body lines. This **Version L** trim adds premium exterior detailing and higher-grade finishes compared to lower trims.

### Performance:

Powered by a **hybrid system combining a 2.5-liter petrol engine and electric motors**, delivering a smooth, efficient, and powerful driving experience with **all-wheel drive (4WD)** capability. This setup ensures great stability, traction, and fuel economy, particularly in urban and mixed driving conditions.

### Interior and Comfort:

**The Version L** interior offers a luxurious atmosphere with premium materials throughout. Highlights include full leather seating, heated and ventilated front and rear seats, power-adjustable front seats with memory, ambient lighting, and a **panoramic sunroof**. The spacious cabin accommodates five passengers comfortably, with advanced sound insulation for a quiet ride.

### Technology and Safety:

Equipped with **Lexus Safety System+** including pre-collision braking, adaptive cruise control, lane keep assist, blind-spot monitoring, and rear cross-traffic alert. Also features a large touchscreen with **Lexus Interface** infotainment, navigation, premium sound system, head-up display, wireless smartphone integration (Apple CarPlay & Android Auto), 360-degree camera system, and advanced parking assist.
