Overview

The **Lexus NX350h 350h F Sport 03/2025** combines hybrid efficiency, dynamic performance, and bold F SPORT styling in a premium compact SUV. %READMORE% Finished in White Nova Glass Flake with striking red leather seats and orange brake calipers, this model delivers exceptional comfort, advanced safety technologies, and a refined driving experience.

Driving Performance

Powered by a responsive 2.5L hybrid powertrain, the NX350h offers smooth acceleration, excellent fuel efficiency, and quiet operation. The CVT transmission ensures seamless performance, while the F SPORT tuning enhances handling stability and driving dynamics. Its balanced chassis provides confident and comfortable driving in both urban and highway conditions.

Interior and Comfort

The cabin features premium red leather upholstery, electrically adjustable seats with heating and ventilation, and a driver-focused layout. A genuine 14-inch navigation system, digital rearview mirror, and advanced infotainment with Apple CarPlay and Android Auto create a modern and luxurious environment. Additional conveniences such as a 100V power outlet and dual-zone climate control enhance everyday usability.

Technology and Safety

Equipped with Lexus Safety System+, the NX includes Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, and Blind Spot Monitoring. A 360° surround-view camera, front and rear dashcams, and parking sensors provide enhanced visibility and safety. ETC 2.0 and advanced connectivity features ensure convenience on every journey.

Exterior

The F SPORT design emphasizes athletic styling with an aggressive spindle grille, genuine 20-inch alloy wheels, and distinctive orange brake calipers. The White Nova Glass Flake finish highlights the sculpted body lines, while adaptive LED headlights and sporty accents enhance its premium and dynamic presence.
