Overview

The 2023 Lexus IS 300h is a sedan with a hybrid engine and right-hand drive configuration. This used car for sale combines premium comfort with everyday practicality for drivers looking for a Lexus IS 300h in Cyprus.

Driving Performance

The vehicle is equipped with a Floor CVT transmission and a 2WD drive system. It delivers smooth and efficient driving performance for daily use.

Interior and Equipment

The cabin seats five passengers and is designed for a comfortable driving experience. Heated seats and an electric driver's seat provide additional convenience for everyday journeys.

Technologies and Assistants

The vehicle includes a range of safety and driver assistance systems for improved confidence on the road. These technologies support everyday driving and parking in different traffic conditions.

Exterior

The sedan body is finished in Gunmetal. LED headlights and aluminum wheels complete the exterior design.
