

Lexus UX , 2024

Lexus UX300h Version L 4WD - 2024

Safety & Assistance Systems:

Power Steering (PS), Anti-lock Braking System (ABS), Full Airbag System (Driver / Passenger), Vehicle Stability Control, and an Anti-theft Security System ensure top-tier safety in both urban and rural environments. The 4WD system adds confidence and traction on varied terrains.

Comfort & Infotainment:

Automatic Climate Control (WAC), Touchscreen Navigation System, Digital TV Function (TV), and a premium Audio System with multiple connectivity options ensure every journey is both convenient and entertaining.

Interior & Seating:

Power Windows (PW), Leather Seat Upholstery, Sunroof (SR), and a spacious cabin designed for 5 passengers provide a luxurious and relaxing driving experience. The Version L trim adds elegant finishing touches and high-end materials.

Exterior:

Unique Exterior Color, stylish and refined SUV design, 18-inch Alloy Wheels (AW), and subtle luxury accents highlight the premium nature of the UX300h Version L. The vehicle blends sophistication with practicality, ideal for both daily drives and longer journeys.
