Overview

The Lexus NX350h F Sport 2024 is a sporty and refined hybrid SUV that combines dynamic styling with advanced efficiency and premium comfort. %READMORE% Designed with the F SPORT philosophy, this model delivers bold aesthetics, responsive performance, and cutting-edge technology suitable for both city driving and long-distance travel.

Performance & Hybrid Efficiency

Powered by a 2.5-liter hybrid system paired with a smooth CVT transmission, the NX350h offers excellent fuel economy and quiet, refined acceleration. The suspension tuning and F SPORT enhancements provide sharper handling and a more engaging driving experience.

Interior & Comfort

The cabin features premium genuine leather seats with heating and ventilation, electric seat adjustment, and a spacious layout for five passengers. The 14-inch navigation display, Mark Levinson premium sound system, and digital rearview mirror enhance comfort and convenience.

Technology & Safety

Equipped with advanced safety systems including adaptive cruise control, lane keep assist, blind spot monitoring, and collision mitigation braking. The 360-degree camera system and parking assist make maneuvering effortless, while smart connectivity ensures a modern driving experience.

Exterior

Finished in elegant White Nova Glass Flake, this F Sport model stands out with TRD full aero kit, distinctive F SPORT styling, LED lighting, orange brake calipers, and sporty alloy wheels that emphasize its aggressive yet refined presence
