Overview

This 2024 Lexus LBX Relax is a compact premium hybrid SUV. With extremely low mileage, it delivers luxury refinement, advanced technology, and urban efficiency in a sleek profile.

Driving Performance

The vehicle is powered by a 1500cc hybrid engine paired with a Continuously Variable Transmission (CVT) with floor-mounted manual mode and paddle shifters in a 2WD drivetrain configuration. This setup yields responsive performance alongside excellent fuel efficiency.

Interior and Equipment

The cabin accommodates up to five passengers and features high-grade genuine leather seating, power-adjustable heated front seats, built-in genuine navigation, full-segment TV, and a wireless smartphone charger. It is also equipped with a power tailgate for added convenience.

Technologies and Assistants

Driver support technologies include the Lexus Safety System+, Adaptive Radar Cruise Control, Parking Assist, Blind Spot Monitor (BSM), Head-Up Display (HUD), and a 360-degree surround-view camera system.

Exterior

Finished in vibrant Blue Metallic paint, the exterior features sharp LED headlights and factory alloy wheels.
