Overview

The 2024 Lexus LBX Cool is an off-road SUV with a hybrid engine and right-hand drive configuration. This used car for sale offers a compact premium SUV experience for drivers looking for a Lexus LBX in Cyprus.

Driving Performance

The vehicle is equipped with a Floor CVT transmission and a 2WD drive system. It provides smooth and efficient driving performance for everyday use.

Interior and Equipment

The cabin seats five passengers and is designed for everyday comfort. Heated seats and an electric driver's seat provide additional convenience during daily driving.

Technologies and Assistants

The vehicle includes a range of safety and driver assistance systems to support confident driving. Parking and visibility systems help improve convenience in different driving situations.

Exterior

The off-road SUV body is finished in Sonic Chrome & Black. LED headlights, front fog lights, and aluminum wheels complete the exterior design.
