Overview

The Lexus IS300h Version L 2023 is a refined hybrid sports sedan that blends dynamic performance with premium craftsmanship and advanced safety technologies. %READMORE% Finished in elegant Sonic Chrome and equipped with semi-aniline red leather interior, this late-model Version L offers a sophisticated driving experience with outstanding comfort and efficiency.

Hybrid Performance

Powered by a 2.5-liter hybrid system paired with a CVT transmission, the IS300h delivers smooth acceleration and excellent fuel economy. The rear-wheel-drive layout enhances driving engagement while maintaining Lexus' signature quietness and ride comfort.

Interior and Comfort

The Version L grade emphasizes luxury with semi-aniline red leather seats, electric adjustment, heating and ventilation functions. A 10.3-inch factory navigation system, moonroof, and premium cabin materials create an upscale and modern atmosphere for both driver and passengers.

Safety and Driver Assistance

Advanced systems such as adaptive radar cruise control, Lane Keep Assist, collision mitigation braking, Blind Spot Monitoring, and a 360° surround-view camera ensure confident driving in urban and highway conditions.

Exterior

The Sonic Chrome body color highlights the IS's sharp spindle grille and sleek LED

headlight design. Genuine 19-inch factory wheels complete the sporty yet elegant stance of this premium sedan.
