Overview

This Lexus UX 250h Version C from 2023 is a crossover SUV with a hybrid powertrain, offered as a used car for sale through a professional car dealership. It represents a practical and refined option for buyers seeking a luxury compact SUV.

Driving Performance

The vehicle is equipped with a 2000cc hybrid engine paired with a Floor CVT automatic transmission and a 2WD drivetrain. This setup provides smooth acceleration, high fuel efficiency, and easy maneuverability in urban environments.

Interior and Equipment

The interior accommodates up to five passengers and offers high everyday convenience, featuring electric seats with memory settings, a heated steering wheel, heated seats, and a 10.3-inch genuine navigation system with full-segment TV support.

Technologies and Assistants

A comprehensive suite of safety features—including Adaptive Cruise Control, Lane Keep Assist, collision mitigation braking, and automatic high beams—ensures a confident and relaxed driving experience.

Exterior

The body is an off-road SUV finished in Graphite Black Glass Flake, styled with front fog lights, sleek LED headlights, and factory aluminum wheels.
