Overview

This Lexus UX 250h Graceful Explorer from 2023 is a compact luxury hybrid crossover offered as a used car for sale through a dealer in Kumamoto Prefecture. It provides an ideal blend of Lexus refinement, urban agility, and hybrid efficiency.

Driving Performance

The vehicle features a 2000cc hybrid powertrain connected to a CVT transmission with floor-mounted manual mode and paddle shifters in a 2WD drivetrain configuration. This combination produces responsive performance and economical city driving.

Interior and Equipment

The cabin seats up to five passengers and is built for comfort with power-adjustable, heated, and ventilated front seats, a heated steering wheel, automatic climate control, built-in navigation, and full-segment TV.

Technologies and Assistants

Driver support systems include Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitor, rear camera, obstacle sensors, and a pre-installed dashcam.

Exterior

Finished in black, the exterior is highlighted by LED headlights, front fog lights, and genuine 18-inch alloy wheels.
