Overview

The 2024 Lexus ES 300h is a hybrid sedan with a right-hand drive configuration and 2WD drivetrain. This used car for sale combines premium comfort with efficient hybrid performance and is available in Sonic Iridium.

Driving Performance

The model is equipped with a CVT with floor-mounted manual mode and a 2WD drivetrain. It delivers smooth and stable driving characteristics for everyday use.

Interior and Equipment

The cabin features a black leather interior with seating for five passengers. It offers a comfortable and well-equipped environment suitable for daily driving and longer journeys.

Technologies and Assistants

The vehicle includes a range of safety and driver assistance systems designed to support confident driving. These technologies enhance awareness and convenience in different driving conditions.

Exterior

The exterior is finished in Sonic Iridium with a sedan body style. Its appearance reflects the refined design of the Lexus ES 300h for sale at our car dealership.
