Overview

The **Lexus UX300h 300h F Sport 2024** is a compact off-road SUV with a hybrid powertrain and a distinctly sporty specification. %READMORE% Its overall character combines urban practicality with a more aggressive exterior appearance thanks to the TRD styling components.

Driving Performance

The 2000cc hybrid engine and CVT with floor-mounted manual mode are configured for smooth and controlled everyday driving. The 2WD layout supports a balanced and comfortable road-focused driving feel.

Interior and Equipment

The cabin is designed for 5 people and offers a practical layout for daily use. The interior equipment is focused on convenience, with features such as keyless access, smart key, electric seat, power windows, and seat heater.

Technologies and Assistants

This model includes a strong set of safety and driver-assistance features, including adaptive cruise control, lane keep assist, collision mitigation braking, blind spot and rear traffic monitoring, and multiple camera-related functions. The addition of front and rear dashcams and display audio compatibility further supports everyday usability.

Exterior

Finished in black, this UX300h F Sport has a noticeably sporty visual identity. The TRD aero kit, front spoiler, side skirts, rear diffuser, aero fenders, orange calipers, full aero styling, and aluminum wheels give it a sharper and more customized look.
