Overview

The Lexus LBX Relax 2024 is a premium compact SUV that combines elegant design, advanced hybrid efficiency, and refined comfort. %READMORE% Finished in sophisticated Sonic Quartz with a luxurious brown leather interior, this model offers a quiet, smooth, and upscale driving experience ideal for both city and highway use.

Performance & Efficiency

Powered by a responsive and fuel-efficient 1.5-liter hybrid system paired with a smooth CVT transmission, the LBX delivers excellent fuel economy, quiet operation, and effortless driving, making it perfect for daily commuting and long-distance travel.

Interior & Comfort

The Relax grade focuses on comfort and refinement, featuring genuine leather seats in a calming brown tone, heated front seats, an electric driver's seat, and a head-up display. The cabin is thoughtfully designed with premium materials and excellent sound insulation for a serene driving environment.

Technology & Safety

Equipped with Lexus Safety System features such as collision mitigation braking, adaptive cruise control, lane keep assist, blind spot monitoring, and a 360-degree camera with advanced parking assist, the LBX ensures confidence and convenience. The infotainment system includes a 9.8-inch display, full-segment TV, Bluetooth connectivity, ETC, and a dashcam.

Exterior

The elegant Sonic Quartz exterior is complemented by sharp LED headlights, front fog lights, a power tailgate, and stylish 18-inch aluminum wheels, giving the LBX a modern and premium appearance.
