Overview

The **Lexus IS500 F Sport Performance 01/2024** represents the pinnacle of Lexus performance sedans, combining a naturally aspirated V8 engine with refined luxury and advanced technology. %READMORE% Finished in Sonic Chrome and equipped with exclusive F SPORT Performance enhancements, this one-owner vehicle delivers exhilarating performance, distinctive styling, and exceptional craftsmanship.

Driving Performance

Powered by a legendary 5.0-liter naturally aspirated V8, the IS500 produces thrilling acceleration, a rich exhaust note, and immediate throttle response. The 8-speed automatic transmission with manual mode ensures precise gear changes, while the F SPORT Performance suspension and chassis tuning provide outstanding stability and dynamic handling. This model offers an engaging and authentic sports sedan experience.

Interior and Comfort

The driver-focused cabin features premium half-leather sport seats with heating and ventilation, a power moonroof, and refined materials throughout. The Mark Levinson premium sound system delivers an immersive audio experience, while the digital rearview mirror and advanced navigation system enhance convenience and visibility. Designed for comfort and performance, the interior balances luxury with sporty sophistication.

Technology and Safety

Equipped with Lexus Safety System+, the IS500 includes Adaptive Cruise Control, Lane Keep Assist, and Collision Mitigation Braking. A 360° Panoramic View Monitor, Blind Spot Monitoring, and front and rear dashcams provide comprehensive visibility and safety. Additional features such as Apple CarPlay, Android Auto, and ETC ensure seamless connectivity and convenience.

Exterior

The bold and aggressive design of the IS500 F SPORT Performance is accentuated by the Sonic Chrome finish and distinctive F SPORT styling elements. WORK 19-inch alloy wheels, LED headlights, and a muscular stance emphasize its high-performance character, while subtle aerodynamic details enhance both aesthetics and efficiency.
