Driving Performance

The floor 10AT transmission with MT mode paired with the gasoline engine ensures smooth gear changes and stable driving dynamics. The 4WD system provides reliable handling across different terrains.

Interior and Equipment

The cabin accommodates 4 passengers, offering spacious seating and advanced comfort functions. The interior is designed with attention to ergonomics and includes climate control and supportive headrests.

Technologies and Assistants

Key systems include Adaptive Cruise Control, Lane Keep Assist, Collision Damage Mitigation Brakes, Blind Spot Monitor, Rear Traffic Monitor, and a full perimeter camera system, enhancing safety and driver awareness.

Exterior

The vehicle is finished in Sonic Quartz, featuring LED lighting elements, aerodynamic body styling, and robust SUV proportions. Distinctive design details emphasize its executive positioning.
