Overview

The Lexus LX600 7-seater 09/2024 is a flagship full-size SUV that combines powerful twin-turbo performance with premium comfort and advanced safety technology. %READMORE% Finished in elegant Pearl, this 3-row luxury SUV delivers commanding road presence, refined craftsmanship, and exceptional versatility for families or executive travel.

Performance and Capability

Under the hood is a 3.4-liter twin-turbo V6 engine paired with a 10-speed automatic transmission, providing strong acceleration and smooth power delivery. The advanced 4WD system ensures stability and confidence across highways, urban roads, and challenging terrain.

Interior and Comfort

The spacious 7-seat cabin offers genuine leather seats with heating and electric adjustment. Three-zone climate control ensures comfort for all passengers, while modern infotainment with Apple CarPlay and Android Auto keeps everyone connected on the move.

Safety and Technology

Equipped with adaptive cruise control, Lane Keep Assist, collision mitigation braking, Blind Spot Monitoring, Parking Assist, and a 360° surround-view camera system, the LX600 provides comprehensive safety support and ease of maneuvering for a vehicle of this size.

Exterior

The Pearl exterior finish enhances the bold spindle grille and strong body lines of the LX600. Roof rails, front fog lamps, aluminum wheels, and aerodynamic styling elements emphasize its prestigious and powerful SUV character.
