Overview

The Lexus GX550 Overtrail+ is a large SUV equipped with a 3400cc gasoline engine and 4WD system. Finished in Graphite Black, it offers seating for five passengers and integrates advanced safety and comfort features.

%READMORE%

This model emphasizes off-road capability combined with modern technology, delivering a balance of rugged performance and refined usability.

Driving Performance

The GX550 is powered by a 3400cc gasoline engine paired with a Floor 10AT transmission with MT mode. The 4WD system ensures stable traction across varied terrains, while Hill Descent Control and advanced braking systems enhance controlled driving in challenging conditions.

Interior and Equipment

The cabin accommodates five passengers with practical comfort features. Equipment includes a digital inner mirror, head-up display, and a cool box for convenience. The interior layout emphasizes durability and functionality suitable for both urban and off-road use.

Technologies and Assistants

Key systems include Adaptive Cruise Control, Lane Keep Assist, Parking Assist, Collision Mitigation Braking System, Blind Spot Monitor, and Lexus Teammate. Surround view cameras and multiple airbags contribute to comprehensive safety and driver support.

Exterior

The exterior is finished in Graphite Black, highlighting the SUV's robust proportions.

Functional elements such as LED lighting, automatic high beam, and off-road-oriented design details emphasize capability and modern styling.
