Overview
The Lexus RX350 Version L 07/2024 offers refined luxury, advanced safety technology, and smooth turbocharged performance in a premium midsize SUV. %READMORE% Finished in elegant Sonic Chrome with a sophisticated white half-leather interior, this RX delivers exceptional comfort, cutting-edge driver assistance systems, and the signature quiet ride Lexus is known for.

Performance and Driving Comfort
Powered by a responsive 2.4-liter gasoline engine paired with an 8-speed automatic transmission, the RX350 provides smooth acceleration and stable handling. The well-balanced chassis and refined suspension tuning ensure a comfortable and quiet ride, ideal for both urban commuting and long-distance travel.

Interior and Technology
The cabin is designed for executive-level comfort, featuring electrically adjustable seats with memory, heating and ventilation functions, and a heated steering wheel. A factory navigation system, panoramic view monitor, digital rear-view mirror, and Head-Up Display enhance convenience and safety. Seamless smartphone connectivity via Apple CarPlay and Android Auto ensures modern multimedia functionality.

Safety and Driver Assistance
Equipped with Lexus Safety System technologies including radar cruise control, Lane Keep Assist, collision mitigation braking, blind spot monitoring, parking assist, and a 360° camera system, the RX350 provides comprehensive protection and confidence

on every drive. Triple LED adaptive headlights improve nighttime visibility.

Exterior
The Sonic Chrome exterior finish highlights the RX’s bold spindle grille and sculpted body lines. Aluminum wheels, LED lighting, and a sunroof complete the premium and modern design of this luxury SUV.
