Overview
The **Lexus ES300h F Sport 09/2023** seamlessly combines hybrid efficiency with sporty sophistication and premium comfort. %READMORE% Finished in elegant Sonic Titanium and enhanced with F SPORT styling and advanced technology, this luxury sedan delivers a refined and dynamic driving experience.

Driving Performance
Powered by a responsive 2.5-liter hybrid powertrain, the ES300h offers smooth acceleration, excellent fuel efficiency, and exceptionally quiet operation. The inclusion of Performance Dampers improves handling stability and ride comfort, while the CVT transmission ensures seamless power delivery for both city and highway driving.

Interior and Comfort
The cabin is crafted with Lexus’ signature attention to detail, featuring premium L-Tex seats, genuine aluminum trim, and a driver-focused cockpit. Heated and ventilated front seats, a moonroof, and dual-zone climate control provide exceptional comfort, while the Head-Up Display enhances convenience and driving confidence.

Technology and Safety
Equipped with Lexus Safety System+, this model includes Adaptive Cruise Control, Lane Keep Assist, and Collision Mitigation Braking. A Panoramic View Monitor, Blind Spot Monitoring, and parking assist systems enhance safety and maneuverability.

Apple CarPlay, Android Auto, and a full-segment TV tuner ensure seamless connectivity and entertainment.

Exterior
The bold F SPORT design is accentuated by the Sonic Titanium finish, aggressive spindle grille, and sleek aerodynamic lines. Triple-beam Full LED headlights, a rear spoiler, and stylish alloy wheels emphasize its sporty character, while the front Paint Protection Film (PPF) preserves the vehicle’s pristine appearance.
