

Lexus RX , 2021

Lexus RX 450h Version L - 04/2021

Exterior:

This **premium 2021 Lexus RX 450h** in an elegant Beige finish offers a modern and luxurious design. It features sharp LED headlights, Lexus' signature spindle grille, chrome detailing, and stylish alloy wheels. The Version L trim adds distinctive high-end exterior details and a refined look compared to standard trims.

Performance:

Equipped with a **3.5-liter V6 hybrid system**, the RX 450h produces a combined output of approximately **308 hp**. Thanks to the **E-Four all-wheel drive (4WD)** system, it ensures excellent grip, stability, and a quiet, smooth ride — ideal for all road and weather conditions.

Interior and Comfort:

The cabin surrounds you in comfort with high-quality beige leather seats, heated and ventilated front seats, power-adjustable memory seats, ambient lighting, and a panoramic view monitor. The Version L trim emphasizes premium materials and craftsmanship, offering a quiet and elegant space for up to five passengers.

Technology and Safety:

Equipped with the full suite of **Lexus Safety System+**, including pre-collision braking, adaptive cruise control, lane keep assist, blind-spot monitoring, and rear cross-traffic alert. Additional features include premium navigation, a head-up display, multi-view camera system, advanced parking assist, and a premium audio system, ensuring safety, convenience, and enjoyment on every journey.
