Overview

The **Lexus LX600 7-seater** represents the pinnacle of luxury and off-road capability in the Lexus lineup, combining exceptional craftsmanship with advanced technology and commanding performance. %READMORE% Equipped with the MODELLISTA Advanced Luxury Package and premium amenities, this flagship SUV delivers an unrivaled driving experience for both urban environments and rugged terrains.

Driving Performance

Powered by a 3.4-liter twin-turbocharged V6 engine paired with a refined 10-speed automatic transmission, the LX600 delivers impressive power, smooth acceleration, and remarkable efficiency. Its advanced 4WD system ensures superior traction and stability across all road conditions, while Hill Descent Control enhances confidence during off-road adventures.

Interior and Comfort

The spacious seven-seat cabin is crafted with premium materials and designed for maximum comfort. Electrically adjustable seats, heated seating, and advanced climate control provide a first-class experience for all passengers. The Rear Seat Entertainment System ensures enjoyable long-distance travel, while the Mark Levinson Reference 3D Surround Sound System offers an immersive audio experience.

Technology and Safety

Equipped with Lexus Safety System+, the LX600 features Adaptive Cruise Control, Lane Keep Assist, and Collision Mitigation Braking. A 360-degree Surround View Camera, Blind Spot Monitoring, and Parking Assist enhance safety and convenience. Seamless connectivity is ensured through Apple CarPlay, Android Auto, and an advanced navigation system.

Exterior

The bold and sophisticated design of the LX600 is enhanced by the MODELLISTA Advanced Luxury Package, giving it an even more distinctive and refined presence. Its Pearl exterior finish, 22-inch forged aluminum wheels, LED lighting, and signature spindle grille emphasize elegance, strength, and prestige.
