Overview

This 2024 Lexus UX 300h Version L is a compact luxury crossover. It brings a refined premium package with low mileage and sophisticated Lexus craftsmanship.

Driving Performance

The vehicle is equipped with a 2000cc powertrain connected to a CVT transmission featuring floor-mounted manual mode and a 2WD drive system. This setup provides a smooth, responsive, and comfortable ride for daily commuting and longer journeys.

Interior and Equipment

Designed for up to five passengers, the interior features genuine leather seating, power-adjustable front seats, dual-zone climate control, integrated navigation, full-segment TV, and built-in ETC 2.0.

Technologies and Assistants

Driver support systems include Adaptive Cruise Control, Lane Keep Assist, Blind Spot Monitor, a full-width camera system, automatic high beams, and an integrated dashcam.

Exterior

Finished in silver, the exterior includes sharp LED headlights and modern body styling.
