Lexus LX 600 4WD Modellista - 08/2023

Safety and Assistance Systems:

This luxury SUV is equipped with advanced safety features, including an anti-lock braking system (ABS), multiple airbags, adaptive cruise control, lane keeping assist, collision prevention system, and blind spot monitoring (BSM). A panoramic view monitor and parking assist system ensure enhanced safety during maneuvering and nighttime driving.

Comfort and Multimedia:

The LX 600 offers exceptional comfort with a built-in navigation system, TV functionality, and a premium Mark Levinson audio system. Automatic climate control (AAC), power windows (PW), and a hands-free power tailgate provide a high level of convenience for both driver and passengers.

Interior and Seats:

The interior features high-grade black leather upholstery with an elegant and ergonomic layout. The spacious seats offer excellent comfort for long-distance travel. A user's manual is included, indicating the vehicle's well-maintained condition.

Exterior:

Finished in sleek black, this LX 600 is fitted with a full Modellista aerodynamic body kit that gives it a bold and sporty presence. It rides on exclusive 22-inch Modellista alloy wheels and features a panoramic sunroof and adaptive LED headlights. The powerful **3.5-liter** twin-turbo gasoline engine is paired with a 10-speed automatic transmission and full-time 4WD system, delivering confident performance on any terrain.
