Overview

The Lexus GX550 Overtrail+ 01/2025 is a limited-production premium 4WD SUV designed for both serious off-road capability and refined daily comfort. %READMORE% Powered by a 3.4L gasoline engine and equipped with advanced safety, luxury, and multimedia features, this Lexus GX550 for sale is available through our Cyprus car dealership.

Driving Performance

The 3.4-liter gasoline engine paired with a 10-speed automatic transmission delivers strong torque and smooth acceleration. The advanced 4WD system, Hill Descent Control, and reinforced Overtrail suspension setup ensure confident performance both on highways and challenging terrain.

Interior and Equipment

The spacious cabin for five passengers features genuine leather seats with heating and ventilation, electric seat adjustment, and a cooler box for added practicality. A large 14-inch navigation display, digital inner mirror, Head-Up Display, and Mark Levinson premium audio system create a high-tech and comfortable driving environment.

Technologies and Assistants

Equipped with Lexus Safety System+, including adaptive cruise control, Lane Keep Assist, collision mitigation braking, Blind Spot Monitoring, and rear cross traffic alert. The 360° panoramic camera system enhances visibility and maneuverability.

Exterior

Finished in Moon Desert & Black, the GX550 Overtrail+ stands out with its bold SUV design. Triple LED headlights, aluminum wheels, roof rails, moonroof, and rugged styling elements emphasize both luxury and off-road readiness.
