Overview

The Maserati Ghibli Hybrid GT blends Italian elegance with modern hybrid efficiency. [%READMORE%](#) This company-owned vehicle includes dealer warranty coverage and features the exclusive Nerissimo package, enhancing its sporty and refined character while maintaining everyday practicality.

Performance

Powered by a 2.0L hybrid engine paired with an 8-speed automatic transmission and 4WD system, the Ghibli delivers smooth yet responsive acceleration. Maserati's chassis tuning ensures dynamic handling while hybrid technology improves efficiency without compromising performance.

Interior

The cabin is appointed with full premium leather upholstery and elegant black piano wood trim, creating a luxurious and sophisticated atmosphere. Heated and electrically adjustable seats, along with a sunroof, enhance comfort for both driver and passengers.

Technology

Equipped with adaptive cruise control, lane keep assist, blind spot monitoring, collision mitigation braking, and a full camera system. The infotainment system includes navigation, premium sound system, and modern connectivity features for a seamless driving experience.

Exterior

Finished in Bianco, the Ghibli Hybrid GT stands out with its refined yet aggressive design. The Nerissimo package, 20-inch Urano wheels, adaptive LED headlights, and sunroof complete its distinctive and dynamic appearance.
