Mazda CX-30 2.0 Hybrid 20S Proactive Touring Selection - 06/2024

Exterior:

The **2024 Mazda CX-30 Hybrid 20S** Proactive Touring Selection in **white** color combines elegance and sporty character in a compact SUV. It features the award-winning Kodo design with a bold black grille, sleek LED headlights, and clean sculpted lines. The flowing profile is enhanced by chrome details and a subtle roof spoiler, giving it a premium look. Factory alloy wheels complete the dynamic aesthetic.

Performance and Efficiency:

This CX-30 is powered by a **2.0-liter Skyactiv-G petrol engine with a mild-hybrid system (MHEV)**, delivering around **156 hp**, paired with a smooth automatic transmission and **2WD** (front-wheel drive). The hybrid technology improves fuel economy and smooths out power delivery, making it efficient and enjoyable for city and highway driving.

Interior and Features:

The cabin offers a refined and ergonomic design with quality materials and thoughtful details. Equipped with a **10.25-inch factory navigation system**, full-surround camera system, blind-spot monitoring (BSM), and Full-Seg TV, it provides both comfort and advanced technology. The seating is comfortable for up to 5 passengers, and the rear seats fold down to increase cargo space.

Technology and Safety:

This CX-30 comes with a suite of advanced driver-assistance features, including all-around cameras, adaptive cruise control, parking sensors, collision mitigation system, and blind-spot monitoring. Keyless entry, steering wheel controls, and smart assist systems provide confidence and convenience for every journey.
