Mazda CX-80 , 2024

Mazda CX-80 2.5 PHEV L Package 4WD – 08/2024

Exterior:
The **Mazda CX-80 2.5 PHEV L Package** is a premium three-row SUV that embodies the brand's Kodo design philosophy. Its commanding presence is enhanced by a wide chrome-accented front grille, adaptive LED headlights, sleek LED taillights, and elegant chrome trim around the windows and lower body. It rides on 20-inch alloy wheels, contributing to its refined and upscale appearance.

Performance and Efficiency:
This model is powered by a 2.5-liter naturally aspirated e-Skyactiv PHEV engine paired with an electric motor, delivering a combined output of **327 horsepower (241 kW)** and 500 Nm of torque. The 17.8 kWh lithium-ion battery enables up to 60 km of pure electric driving. The powertrain is mated to an 8-speed automatic transmission, and the i-Activ AWD system ensures confident traction in all conditions. Acceleration from 0 to 100 km/h takes approximately 6.8 seconds. Combined fuel consumption is rated at the equivalent of about 1.6 L/100 km, with CO_2 emissions around 35 g/km.

Interior and Features:
The interior is configured with **6 seats**, featuring luxurious second-row captain's chairs for enhanced passenger comfort. Premium materials include high-grade leather, soft-touch surfaces, aluminum accents, and ambient lighting. A 12.3-inch central infotainment display supports wireless Apple CarPlay and Android Auto, while a digital instrument cluster provides a modern cockpit experience. Additional features include a panoramic sunroof, tri-zone climate control, heated front seats, and a premium Bose sound system.

Technology and Safety:
The CX-80 is equipped with Mazda's full i-Activsense safety suite, including adaptive cruise control, lane keeping assist, blind spot monitoring, automatic emergency braking, a 360-degree camera system, and smart parking assist. The Mi-DRIVE system offers five selectable driving modes: Normal, Sport, Off-Road, Towing, and EV, providing adaptable performance for varying driving environments. The electric-only mode is especially convenient for zero-emission urban driving, while the system's charging capabilities make it suitable for both daily commutes and long-distance travel.

Specifications:

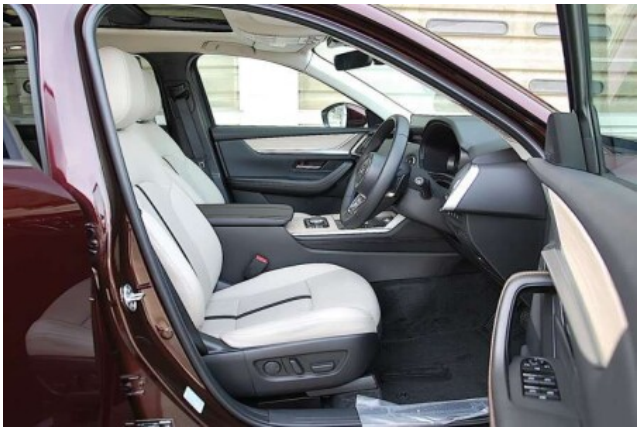

ID: JXI-239
Final Price: 52300.00 EUR
