Overview

This Mazda CX-80 3.3 XD Hybrid Premium Modern Diesel Turbo 4WD from 2024 is an off-road SUV powered by a 3.3-liter hybrid diesel turbo engine. Offered as a used car with a mileage of 2,000 km, it represents a sophisticated and spacious option for buyers seeking a premium 6-seater SUV.

Driving Performance

The vehicle is equipped with a Floor 8-speed automatic transmission (Floor 8AT) and a 4WD drivetrain. Powered by a 3300cc diesel hybrid powertrain with Turbocharger setting, this configuration delivers smooth, fuel-efficient performance and responsive all-wheel driving characteristics.

Interior and Equipment

The premium cabin accommodates six passengers across three rows of seating and features genuine leather seats. Equipped with electric seats, seat heaters, seat air conditioning (ventilation), keyless entry, smart key, and air conditioning/cooler, the interior is designed to support daily family use and long-distance driving comfort.

Technologies and Assistants

Modern safety and assistance systems are provided, including Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Obstacle Sensor, Hill Descent Control, Automatic High Beam, and a full-width camera system (front, side, back). They ensure confident and safe driving in all road conditions.

Exterior

The body is an off-road SUV finished in Machine Gray Premium Metallic. Its sleek exterior features LED headlights, a sunroof/glass roof, roof rails, and stylish aluminum wheels.
