Mazda CX-30 , 2024

Mazda CX-30 2.0 20S Retro Sports Edition 2024

Safety and Driver Assistance Systems:
The vehicle is equipped with an anti-lock braking system (ABS), dynamic stability control (DSC), traction control system (TCS), and numerous airbags. It includes a blind spot monitoring system (BSM), rear cross-traffic alert (RCTA), lane departure warning system (LDW), and adaptive cruise control (MRCC). Rearview camera and parking sensors assist during parking.

Comfort and Interior:
The interior is designed in a sporty style with a leather steering wheel, heated seats, steering wheel-mounted multimedia controls, and automatic climate control (AC). The high-quality interior finish emphasizes the exclusivity of the Retro Sports Edition.

Exterior:
The sporty design is highlighted by unique color options, original 18-inch alloy wheels, LED headlights, and fog lights. The car looks stylish and dynamic.

Performance:
The 2.0-liter hybrid engine, combined with an automatic transmission, ensures economical and smooth driving with high responsiveness.

Technology and Multimedia:
It features the Mazda Connect navigation system, Bluetooth, USB, smartphone integration, digital radio (AM/FM), and TV system. The central touchscreen provides easy access to all multimedia and navigation functions.
