

Mazda CX-8 , 2021

Mazda CX-8 25S Smart Edition 6-Seater - 08/2021

Exterior

This **CX-8** comes in the refined **Machine Gray Premium Metallic** finish, emphasizing the premium and modern character of the SUV. With its **5-door** crossover body, it blends elegance with practicality, while the Smart Edition trim adds stylish details that enhance its upscale appearance.

Performance and Driving Dynamics

Powered by a **2.5-liter gasoline engine** delivering around **190 horsepower**, this CX-8 is paired with a smooth **automatic transmission** and **front-wheel drive (2WD)**. The setup ensures balanced and responsive driving, making it equally suitable for urban use and long-distance journeys. Mazda's signature handling philosophy guarantees stability, comfort, and driver confidence on every road.

Interior and Comfort

The cabin accommodates **6 passengers**, making this CX-8 a practical family SUV. Ergonomically designed seats, a versatile layout, and **rear air conditioning** create a comfortable atmosphere for all occupants. The spacious interior combines everyday usability with Mazda's premium feel.

Technology and Safety

This Smart Edition is equipped with advanced features such as a **360° camera system, front and side cameras**, and **parking sensors**, ensuring easy maneuvering and confidence in tight spaces. Additional highlights include **smart keyless entry**, an infotainment system, and driver-assistance functions that enhance safety and convenience on every journey.
