

Mazda MX-30 , 2025

Mazda MX-30 2.0 Natural Monotone 4WD - 04/2025

General Overview

The **Mazda MX-30 2.0 Natural Monotone 4WD** combines modern crossover design with advanced driving technologies, making it a stylish and safe urban companion. With its **2.0-liter petrol engine** delivering **155 horsepower**, it offers smooth performance supported by Mazda's i-Activ all-wheel-drive system for stability in all conditions.

Performance and Driving

Equipped with **genuine automatic transmission** and intelligent safety systems, the MX-30 ensures confident handling and responsive driving. Adaptive cruise control and obstacle detection work seamlessly with the **Safety Package** to enhance driver assistance on any road.

Interior and Comfort

Inside, the MX-30 offers a refined cabin with a **10.25-inch Mazda Connect navigation system**, **power driver's seat**, **heated front seats**, and a **heated steering wheel**. The **smart key system** provides seamless access, while premium finishes highlight Mazda's signature attention to detail.

Technology and Safety

The vehicle comes with a **360° camera**, **Blind Spot Monitoring (BSM)**, **collision mitigation braking**, lane keep assist, and all-around airbags for comprehensive safety. Parking sensors and automatic high beam control add convenience and peace of mind.

Exterior Design

Finished in **Ceramic Metallic**, the MX-30 features **adaptive LED headlights**, a bold monotone look, and **genuine 18-inch aluminum wheels** that emphasize its modern, dynamic stance.
