# Mazda CX-30 , 2023

**Mazda CX-30 2.0 20S – 01/2023**

**Exterior:**
The **2023 Mazda CX-30 2.0 20S** impresses with its refined and dynamic design, characteristic of Mazda’s Kodo styling. Finished in an elegant **Pearl** exterior color, it features a bold black grille, slim LED headlights with integrated daytime running lights, and a sculpted, coupe-like silhouette. The body is accented with chrome details, a subtle roof spoiler, and stylish alloy wheels, giving it a sporty yet sophisticated presence.

**Performance and Efficiency:**
This CX-30 is powered by a **2.0-liter Skyactiv-G petrol engine**, producing around **156 hp**, mated to a **6-speed automatic transmission** and a smooth **front-wheel-drive (2WD)** system. Its naturally aspirated engine provides responsive performance while maintaining excellent fuel efficiency for everyday driving. Thanks to Mazda’s engineering, the ride is balanced and engaging.

**Interior and Features:**
Inside, the CX-30 offers a clean, premium-feeling cabin with soft-touch materials and thoughtful design. The seats are comfortable and supportive, and the interior layout is driver-focused with great ergonomics. Equipped with a Mazda Connect infotainment system, Bluetooth connectivity, dual-zone climate control, and keyless entry/start, the cabin is both functional and stylish. Ample space in the rear and a flexible cargo area make it versatile for families and daily use.

**Technology and Safety:**
This model is equipped with advanced safety and convenience features, including a **360-degree camera system**, front and rear parking sensors, LED headlights, blind spot monitoring, adaptive cruise control, lane-keeping assist, and multiple airbags. The car also features ETC, a full-segment SD navigation system, and smart key access for added comfort and security.
