

Mazda CX-8 , 2023

Mazda CX-8 25S Black Tone Edition 6-Seater - 03/2023

Exterior

This CX-8 is finished in elegant **Platinum Quartz Metallic**, highlighting the SUV's premium and modern presence. The **5-door SUV** body combines practicality with refined styling, while the **Black Tone Edition** adds exclusive dark accents that give the vehicle a sportier and more distinctive look.

Performance and Driving Dynamics

Equipped with a **2.5-liter gasoline engine** producing around **190 horsepower**, this CX-8 comes with a smooth **automatic transmission** and **front-wheel drive (2WD)**. The setup ensures refined acceleration, balanced dynamics, and comfort for both city driving and longer highway journeys.

Interior and Comfort

Inside, the Black Tone Edition is configured as a **6-seater** with **captain's chairs in the second row**, enhancing comfort and creating a premium cabin atmosphere. With ergonomic seating, a spacious layout, and **rear air conditioning**, the interior offers practicality and relaxation for all passengers.

Technology and Safety

This model comes with advanced safety and convenience features including a **360° camera system**, **parking sensors**, and driver-assistance systems such as **Lane Keep Assist** and **Smart Brake Support**. Additional highlights include **Apple CarPlay**, **smart keyless entry**, and a modern infotainment system, delivering a safe and connected driving experience.
