

Mazda CX-3 , 2024

Mazda CX-3 1.5 15S Touring 2024

Safety and Driver Assistance Systems: Equipped with Anti-lock Braking System (ABS), airbags, Blind Spot Monitoring (BSM), obstacle sensors, collision mitigation braking system, full around-view camera system (front/side/rear), front and rear dash cameras, smart key access, and all-speed Adaptive Cruise Control (ACC). The vehicle also features an automatic high beam function and Head-Up Display (HUD), providing real-time driving information directly in the driver's line of sight.

Comfort and Interior: The cabin offers automatic air conditioning (AAC), power windows (PW), power steering (PS), and a refined layout with premium materials. It is a one-owner, non-smoking vehicle with a clean and well-kept interior.

Exterior: Finished in Pearl (Color Code: 25D) with stylish alloy wheels (AW) and full LED automatic headlights for better visibility and modern aesthetics.

Performance: Powered by a 1.5L gasoline engine mated to a Front Automatic Transmission (FAT), this model delivers a smooth and responsive drive, ideal for both city and highway conditions.

Technology and Multimedia: Features an 8.8-inch manufacturer-installed navigation system, full-segment TV, and around-view monitor system for enhanced visibility and convenience when parking or maneuvering. Equipped with Mazda's latest infotainment system for intuitive media control and connectivity.
