

Mazda CX-5 , 2025

Mazda CX-5 20S Smart Edition - 01/2025 NEW, 9 KM MILEAGE!!!

Safety and Assistance Systems:

The CX-5 20S Smart Edition is equipped with essential safety features including multiple airbags and power steering (PS) for responsive handling. These systems work together to provide a secure and stable driving experience for both city and highway use.

Comfort and Multimedia:

This model includes automatic air conditioning (AAC) for consistent climate control, as well as power windows (PW) for convenient operation. A built-in TV function enhances the in-car entertainment experience, making every trip more enjoyable.

Interior and Seats:

Inside, the CX-5 offers a clean and practical layout, designed for comfort and ease of use. The interior provides generous space and thoughtful ergonomics, making it ideal for both daily driving and longer journeys.

Exterior:

Finished in sleek Black, the CX-5 delivers a bold and refined appearance. Alloy wheels (AW) add a touch of sportiness, while the 2.0 liter gasoline engine ensures smooth, efficient performance and reliability.
