Mercedes-Benz GLC 43 AMG 4MATIC Coupe - 07/2021

General Overview

The **Mercedes-Benz GLC 43 AMG 4MATIC Coupe** is a premium performance SUV-coupe that blends AMG sportiness with everyday luxury. In its elegant Pearl White finish, it combines sleek coupe styling with the versatility of an SUV.

Performance and Driving Dynamics

Equipped with a **3.0-liter V6 twin-turbo petrol engine producing 390 horsepower**, paired with the **AMG-tuned 4MATIC all-wheel drive system**, this model delivers thrilling acceleration and precise handling. The **automatic transmission** ensures smooth power delivery, while AMG performance tuning provides an engaging driving experience.

Interior and Comfort

Inside, the cabin features **leather upholstery**, premium finishes, and advanced comfort functions. The **power-adjustable seats, dual-zone climate control**, and refined design create an upscale driving environment. The AMG interior touches emphasize sportiness while maintaining luxury and practicality for daily use.

Technology and Safety

The GLC 43 AMG comes with advanced features including **radar safety systems, parking assist, surround-view monitoring, and collision mitigation braking**. Infotainment is supported by a **factory navigation system, multimedia interface, and smartphone integration**, ensuring seamless connectivity.

Exterior Design

With its bold coupe silhouette, the GLC 43 AMG stands out with **distinct AMG styling elements, aggressive bumpers, and alloy wheels**. The **LED headlights** provide excellent nighttime visibility, while the panoramic design enhances its dynamic road presence.
