Overview

The **Mercedes-Benz GLA 200 d 4MATIC 01/2026** is a compact premium SUV that combines diesel efficiency, advanced technology, and confident all-wheel-drive capability. %READMORE% With the Advanced Package, Head-Up Display, and panoramic sliding roof, this GLA offers a refined and modern driving experience in a stylish Cosmos Black finish.

Performance and Driving

Powered by a responsive 1.9-liter turbo diesel engine, the GLA delivers strong torque and excellent fuel economy. The smooth 8-speed automatic transmission ensures effortless acceleration, while the 4MATIC all-wheel-drive system enhances traction and stability in various road and weather conditions.

Interior and Comfort

The cabin provides a premium atmosphere with genuine leather seats, heating function, and power adjustment. The panoramic sliding roof adds brightness and openness, while dual-zone climate control and advanced infotainment with navigation and digital TV ensure comfort and connectivity for every journey.

Technology and Safety

Equipped with Adaptive Cruise Control, Lane Keep Assist, Blind Spot Monitoring, and Collision Mitigation Braking, the GLA prioritizes driver assistance and safety. The Head-Up Display projects key driving information directly into the driver's line of sight, and the 360-degree camera simplifies parking and maneuvering.

Exterior

Finished in elegant Cosmos Black, the GLA stands out with a dynamic SUV stance, roof rails, and stylish alloy wheels. The combination of sporty design and practical proportions makes it ideal for both city driving and weekend adventures.
