Overview

The Mercedes-Benz EQB 250+ AMG Line 12/2024 is a fully electric 7-seater SUV that combines premium comfort, advanced safety technology, and efficient zero-emission performance. %READMORE% Finished in elegant Polar White with the AMG Line package, this EQB offers sporty styling, spacious three-row seating, and the latest Mercedes-Benz innovation — now available at our Cyprus car dealership.

Electric Performance and Efficiency

The EQB 250+ delivers smooth, quiet, and responsive electric driving with excellent efficiency for both city and highway use. The refined automatic transmission ensures seamless acceleration, while the balanced chassis provides a stable and comfortable ride.

Interior and Comfort

Designed for families and versatility, the EQB features three-row seating for up to seven passengers. The cabin offers electric front seats with heating, high-quality materials, dual-zone climate control, and a modern infotainment system with navigation, Apple CarPlay, and Android Auto connectivity.

Safety and Technology

Equipped with advanced driver assistance systems including Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Blind Spot Monitoring, Parking Assist, and a 360° camera system, the EQB ensures maximum safety and driving confidence. Automatic High Beam and adaptive LED headlights enhance visibility in all conditions.

Exterior

The Polar White finish highlights the clean and modern electric design of the EQB. The AMG Line package adds sporty styling elements, aluminum wheels, roof rails, and distinctive Mercedes-Benz detailing, giving the vehicle a dynamic and premium appearance.
