Mercedes SL-class , 2023

Mercedes-Benz SL-Class AMG SL43 – 2023

Exterior:
This **Mercedes-AMG SL43** is finished in **Obsidian Black Metallic**, delivering a commanding presence with roadster elegance and performance styling. The exterior features **AMG-specific bodywork**, a **long sculpted hood**, **aggressive front grille**, **quad exhaust tips**, and **sleek LED lighting**. It rides on large **21-inch AMG alloy wheels** and features a **fully automatic soft-top roof** that retracts for open-air driving. A **360-degree camera system** and **parking sensors** aid in precise low-speed maneuvering.

Performance:
Powered by a **2.0-liter inline-4 turbocharged petrol engine** with a **48V mild-hybrid BSG (Belt-driven Starter Generator)** system, producing approximately **381 horsepower**. Paired with a smooth **AMG-tuned 9-speed automatic transmission** and **rear-wheel drive (RWD)**, this lightweight roadster delivers **sharp, balanced handling** and **responsive acceleration**, with electric boost support from the hybrid system.

Interior and Comfort:
The interior combines high-performance design with luxury, featuring **rich red leather seats**, **carbon-fiber trim**, and **ambient lighting**. The **AMG performance seats** offer **heating**, **ventilation**, and **power adjustment with memory settings**. A **flat-bottom AMG steering wheel**, **digital driver display**, and **central infotainment screen** offer a cockpit-like experience. The layout is both **sporty and sophisticated**, designed for **long-distance comfort** and **spirited driving**.

Technology and Safety:
Equipped with **Mercedes-Benz Intelligent Drive** systems, including **adaptive cruise control**, **active lane keeping assist**, **blind-spot monitoring**, and **pre-collision safety systems**. It also features a **high-resolution head-up display**, **360-degree camera system**, **digital rearview mirror**, **traffic sign recognition**, and **keyless entry with push-button start**. Infotainment includes **MBUX with voice control**, **Apple CarPlay**, **Android Auto**, and a **premium Burmester surround sound system**.
