Overview

This Mercedes-Benz EQE SUV 350 4MATIC AMG Line Package from 2024 is an all-electric off-road SUV. It represents a premium option for buyers considering a high-end luxury electric SUV.

Driving Performance

The vehicle is equipped with an automatic transmission with manual mode, a 4WD drivetrain, and an air suspension system. This configuration delivers refined, dynamic, and controlled driving characteristics.

Interior and Equipment

The interior accommodates five passengers with 5 doors and is configured for luxury comfort. The cabin features genuine leather seats with electric adjustment, heating, and seat air conditioning, alongside keyless access, smart key, and power windows to support everyday driving and long journeys.

Technologies and Assistants

Standard safety and driver assistance systems—including Adaptive Cruise Control, Lane Keep Assist, Collision Mitigation Braking, Parking Assist, full-width and 360° cameras, and Blind Spot/Rear Traffic Monitoring—are provided for controlled driving. They support the driver in typical urban and highway situations.

Exterior

The body is an off-road SUV finished in Diamond White. Its exterior presentation features adaptive LED headlights, a sunroof/glass roof, full aero styling, and a lowered stance that highlights the sleek design of the EQE SUV.
