Mercedes-Benz EQE 350+ AMG Line Package – 10/2022

Exterior
This EQE 350+ is finished in elegant **Opal White**, emphasizing the refined proportions and aerodynamic styling of Mercedes' premium **electric luxury sedan**. The **AMG Line package** adds sporty accents, while the **panoramic sliding roof** and smooth silhouette highlight its modern and sophisticated character.

Performance and Driving Dynamics
The EQE 350+ is powered by an advanced electric motor producing around **292 hp** and **565 Nm of torque**, delivering smooth, quiet, and responsive acceleration. Its high-capacity battery ensures excellent driving range, making the car practical for both city use and long-distance travel. With its **rear-wheel drive setup** and finely tuned chassis, the EQE offers an ideal balance of efficiency, stability, and comfort.

Interior and Comfort
The interior combines luxury with innovation, featuring **premium leather seats**, a **panoramic sliding roof**, a **Head-Up Display (HUD)**, and **multi-zone climate control**. Passengers enjoy a spacious and ergonomic cabin, while the **Burmester premium audio system** provides a high-fidelity sound experience.

Technology and Safety
The EQE 350+ is equipped with the latest Mercedes-Benz systems, including a **360° camera system**, **Blind Spot Assist**, **Pre-Collision Safety Package**, and **adaptive cruise control**. Additional features such as **keyless entry**, **ambient lighting**, and an intuitive infotainment system make every journey safe, connected, and convenient.
