Mercedes-AMG G-Class G63 4WD Manufaktur Program - 04/2022

General Overview:

The 2022 Mercedes-AMG G63 4WD Manufaktur Program represents the pinnacle of high-performance luxury SUVs. It fuses the rugged, iconic silhouette of the G-Class with AMG engineering and the exclusive customization options of Mercedes' Manufaktur Program. With bold styling, handcrafted details, and aggressive performance, this version of the G63 is built for drivers who demand individuality and authority on any terrain.

Performance and Handling:

This G63 is powered by a handcrafted **4.0-liter** V8 biturbo engine, generating an astonishing **585 horsepower** and 850 Nm of torque. The SUV accelerates from 0 to 100 km/h in just 4.5 seconds, delivering supercar-like performance in a commanding, full-size off-road frame. The AMG SPEEDSHIFT TCT 9-speed transmission works in tandem with the 4MATIC all-wheel-drive system to ensure seamless power delivery and dynamic driving across any surface. AMG RIDE CONTROL adaptive suspension fine-tunes the ride to strike the perfect balance between comfort and sport.

Interior and Features:

Inside, the Manufaktur Program elevates the already luxurious G-Class interior with exclusive design elements. Expect full Nappa leather upholstery in custom color configurations, ambient lighting, and premium stitching throughout the cabin. Dual 12.3-inch displays house the MBUX infotainment system with voice control, navigation, and smartphone integration. Burmester 3D surround sound, heated and ventilated seats, a panoramic sunroof, and multi-contour seat functions ensure exceptional comfort and engagement on every journey.

Technology and Driver Assistance:

Equipped with a suite of intelligent systems, the G63 includes adaptive cruise control, active lane keeping assist, blind spot monitoring, a 360-degree surround-view camera, and MULTIBEAM LED headlights. The selectable AMG drive modes give drivers full control over suspension stiffness, steering feel, and throttle response — from relaxed cruising to aggressive sport dynamics.

Exterior Design:

Finished in a bespoke Manufaktur color, this G63 stands tall on 22-inch AMG forged alloy wheels, accented by flared wheel arches, the iconic Panamericana grille, and

quad side-exit exhaust pipes. Subtle yet bold Manufaktur badging and contrasting exterior trims highlight the vehicle's exclusivity and make a strong visual statement.
