Mercedes-Benz EQS 450+ AMG Line Package - 01/2023

Exterior

This EQS 450+ is finished in elegant **White**, highlighting the sleek and aerodynamic design of Mercedes' flagship **full-size luxury electric sedan**. The **AMG Line package** adds sporty styling details, while the flowing proportions and clean surfaces emphasize both efficiency and sophistication. A **panoramic roof** further enhances the car's modern luxury appeal.

Performance and Driving Dynamics

The EQS 450+ is powered by a refined electric motor delivering around **360 hp** and **568 Nm of torque**, ensuring smooth, silent, and instant acceleration. Its advanced battery system provides an impressive driving range, suitable for both city commuting and long-distance travel. With **adaptive suspension** and precise chassis tuning, the EQS balances comfort, agility, and stability at the highest level.

Interior and Comfort

The interior sets new standards of premium design, equipped with **leather seating**, **rear comfort package**, and innovative features such as a **Head-Up Display (HUD)** and advanced **multi-zone climate control**. The **Burmester premium sound system** creates a first-class audio experience, while **heated and ventilated seats** ensure comfort in all seasons. A spacious cabin with high-quality materials delivers both luxury and practicality.

Technology and Safety

This EQS 450+ comes with the latest Mercedes-Benz technologies, including a **360° camera system**, **Radar Safety Package**, **Blind Spot Assist**, **Pre-Collision System (PCS)**, and advanced driver-assist functions. Convenience features such as **wireless charging**, **rear tablet integration**, and smart key access add to its sophistication, making every journey safe, connected, and effortless.
