Overview

The Mercedes-Benz G-Class G 400 d AMG Line is a 2023 off-road SUV powered by a diesel engine. This model combines practicality and comfort with the distinctive presence of the G-Class.

Driving Performance

The vehicle features a 9-speed automatic transmission with column-mounted manual mode and a 4WD system. It delivers stable handling and confident performance across various driving conditions.

Interior and Equipment

The cabin accommodates five passengers and provides a comfortable environment for everyday use. The interior layout is designed with convenience and functionality in mind.

Technologies and Assistants

The vehicle is equipped with standard safety and driver assistance systems. These features support awareness and confidence during daily driving.

Exterior

The off-road SUV body is finished in Obsidian Black. The exterior maintains the iconic and recognisable design of the G-Class.
