

Mercedes E-class , 2021

Mercedes-Benz E-Class E350e Sport Exclusive - 10/2021

General Overview

The **Mercedes-Benz E350e Sport Exclusive** combines luxury, advanced hybrid technology, and refined driving dynamics. Produced in **10/2021** and finished in **Black**, this sedan represents sophistication and innovation within the E-Class lineup. With its plug-in hybrid system, it blends efficiency with traditional Mercedes-Benz performance.

Performance and Driving Dynamics

This model is powered by a **2.0-liter turbocharged inline-4 engine paired with an electric motor**, delivering a combined output of **299 horsepower** and impressive torque of **around 700 Nm**. Power is sent to the rear wheels via a smooth automatic transmission, ensuring refined yet responsive driving. The hybrid system allows for efficient city commutes with electric driving capability, while retaining long-distance performance. Safety and control are supported by **ABS, traction management, and stability systems**.

Exterior Design

The exterior highlights a balance of elegance and sportiness with the **Sport Exclusive package**, featuring **premium alloy wheels, aerodynamic AMG-style accents, and a sleek sedan profile**. Its strong yet graceful design reflects both prestige and performance.

Interior and Comfort

Inside, the **Exclusive Package** provides an upscale cabin with **premium leather seating, multifunction steering wheel, ambient lighting, and luxury trim finishes**. Ergonomics and craftsmanship ensure comfort for both driver and passengers, while spacious design underlines its executive-class quality.

Technology and Safety

The E350e is equipped with Mercedes-Benz's advanced driver assistance and safety systems, including **multiple airbags, collision prevention, ABS, and electronic driver aids**. Hybrid-specific features such as an energy flow display and regenerative braking enhance efficiency. Additional convenience comes from **infotainment with navigation, connectivity options, and high-grade audio systems**.
