Mercedes-Benz EQE 350+ AMG Line Package – 01/2023

Exterior
This EQE 350+ is finished in refined **Silver**, highlighting the sleek proportions and aerodynamic lines of Mercedes' premium **full-size electric sedan**. The **AMG Line package** enhances the exterior with sporty styling details, giving the car a dynamic yet elegant look. Its flowing silhouette combines futuristic design with luxury presence.

Performance and Driving Dynamics
The EQE 350+ is powered by an advanced electric motor producing around **292 hp** and **565 Nm of torque**, delivering smooth, silent, and responsive acceleration. The large battery provides excellent range for both city and long-distance driving. With its **rear-wheel drive setup** and refined suspension tuning, the EQE balances comfort, stability, and efficiency at a high level.

Interior and Comfort
The interior blends modern technology with Mercedes luxury, featuring **premium leather seating**, **AMG Line details**, and **advanced multi-zone climate control**. The spacious cabin ensures both driver and passengers enjoy maximum comfort.

Technology and Safety
Equipped with the latest Mercedes-Benz driver assistance and safety systems, this EQE 350+ includes **360° cameras**, **Blind Spot Monitor**, **Pre-Collision Assist**, **adaptive cruise control**, and advanced lane assist. Convenience features such as smart keyless entry, ambient lighting, and a premium infotainment system enhance everyday usability, making the EQE 350+ a highly advanced and safe electric sedan.
