Mercedes-Benz E-Class E450 4Matic Exclusive - 03/2021

General Overview

The **Mercedes-Benz E450 4Matic Exclusive** is a flagship luxury sedan that exemplifies refinement, cutting-edge innovation, and performance. Produced in **03/2021**, this exclusive model represents the pinnacle of the E-Class range with an emphasis on prestige, comfort, and state-of-the-art driving technology. With its elegant proportions and advanced equipment, it offers a perfect blend of tradition and modern luxury.

Performance and Driving Dynamics

Powering this E450 is a **3.0-liter inline-6 turbocharged engine with EQ Boost mild-hybrid technology**, producing **367 horsepower** and up to **500 Nm of torque**. Paired with a smooth automatic transmission and the renowned **4Matic all-wheel-drive system**, it delivers effortless acceleration, refined cruising, and outstanding stability in all conditions. Adaptive systems such as **air suspension, ABS, adaptive cruise control, lane keep assist, stability control, and collision mitigation braking** enhance both safety and driving pleasure.

Exterior Design

The Exclusive trim is marked by a sophisticated yet dynamic design, with **LED adaptive headlights, premium aluminum wheels, and a sleek aerodynamic profile**. The presence of a **sunroof/glass roof** adds an open, airy feel to the driving experience. Fully painted finishes and fine detailing reinforce its premium character, while its imposing stance ensures unmistakable road presence.

Interior and Comfort

Inside, the cabin is crafted for true luxury with **genuine leather seats, power-adjustable and heated seating, smart key access, and a premium multifunction steering wheel**. The **Exclusive Package** adds refined trim finishes, advanced ergonomics, and meticulous craftsmanship throughout the interior. Comfort and convenience are further supported by features such as **climate control, rear passenger amenities, and integrated ambient lighting** that create a serene atmosphere.

Technology and Safety

This E450 Exclusive comes fully equipped with high-end safety and technology systems, including **multiple airbags (driver, passenger, side, and curtain)**,

obstacle sensors, blind-spot monitoring, rearview camera, anti-theft systems, and parking assist. The infotainment suite includes **Apple CarPlay, Android Auto, and full digital displays,** providing seamless connectivity and entertainment. The **BOSE premium audio system** (part of Exclusive configuration) ensures audiophile-level sound quality, elevating every journey.
