Mercedes SL-class , 2024

Mercedes-AMG SL 43 (BSG model) – 04/2024

Exterior:
The 2024 Mercedes-AMG SL 43 is an elegant roadster with a soft-top roof and a distinctive sporty appearance. Styled in classic AMG fashion, it features the signature Panamericana grille, a long hood, aggressive front bumper, and sporty 19-inch alloy wheels. The proportions stay true to the traditional roadster design, combining a short rear overhang with a sleek, aerodynamic profile that emphasizes both elegance and performance.

Performance and Efficiency:
The car is powered by a **2.0-liter 4-cylinder** turbocharged petrol engine (M139) developed by AMG, delivering **381 horsepower (280 kW)** and 480 Nm of torque. It's paired with a 9-speed **AMG Speedshift** MCT automatic transmission and rear-wheel drive. The integrated mild hybrid system (**BSG – Belt-driven Starter Generator**) temporarily adds up to 14 hp and enhances efficiency through start/stop functionality and energy recuperation. **The SL 43 accelerates from 0 to 100 km/h in 4.9 seconds** and reaches a top speed of 275 km/h. Average fuel consumption is around 8.9 L/100 km, with CO_2 emissions of approximately 201 g/km.

Interior and Features:
Inside, the SL 43 features premium materials, including leather seats and aluminum trim. The vertically positioned 11.9-inch central touchscreen provides intuitive control over navigation, media, and vehicle settings. The MBUX infotainment system supports Apple CarPlay and Android Auto. The soft-top roof can be operated at speeds up to 60 km/h. Additional features include power-adjustable seats, climate control, and ambient interior lighting.

Technology and Safety:
The SL 43 comes equipped with advanced driver assistance systems such as adaptive cruise control, lane keeping assist, blind spot monitoring, traffic jam assist, and automatic emergency braking. Surround-view cameras, parking sensors, and automatic parking assist enhance ease of use in urban settings. Electric power steering and dynamic stability systems contribute to precise handling and driving confidence. Standard safety equipment includes ABS, traction control, airbags, and an anti-theft system.

Specifications:

ID: FZN-125
Final Price: 105000.00 EUR
Interior Color: Red
Number of Seats: 4
Steering Side: Right
Condition: New
